## ALERION 33

The Alerion 33 is the perfect yacht for those who don't want to wait for crew to savor a weekend or an hour out sailing. With its clever systems, singlehanded sailing is a true pleasure. The full-roach main, carbon-fiber mast, and self-tacking jib make the Alerion 33 an elegant performer on all points of sail, while the electric winches allow easy adjustment in all wind conditions. And beneath the traditional sheer and topsides is a thoroughly modern underbody.
